

MEDICAL INFORMATION FORM

(All fields must be completed in English only)

In the medical diagnosis box, please include dates and details of anything which affects the MOTOR functions of the body. e.g. Congenital conditions, Spinal cord injuries/ diseases; Head injuries; Neurological conditions; Amputation of limbs; Peripheral Nerve lesions; Arthrodesis of joints; Limitations due to pain are not taken into account for the purpose of classification if that is the only condition.

This information will be documented to the IPC Powerlifting database in accordance with the IPC Athlete Licensing Programme.

Note: Where applicable this form needs to be completed with copies of any medical diagnostics (e.g. medical imaging).
